Mission x 2

Mission #1

When you get to read this article I will either be in the air headed for Fairbanks Alaska or at Camp LI-WA. This will be the first short term mission that I have ever been on and I'm looking forward to being of service helping to meet a need.

Camp LI-WA is in much need of construction work. There are windows to be replaced, decks to be built, painting, electrical, plumbing, wood to cut, brush to clear, and the list goes on. Now I'm not your average construction or carpenter worker, but the camp is desperate for individuals who can help in whatever capacity they can. Fourteen volunteers are going to camp LI-WA having various abilities but of One Spirit to get as much of the work done as they possibly can in two weeks.

What I ask of you is that you keep the Alaska Mission Team in prayer. Pray that the team will keep safety first in their minds as some of us will be doing tasks that we've never done before. Next I ask you to pray that the team will be a witness for Christ as we work to accomplish each job. No doubt I will have many stories to share when I get back home.

Mission #2

This mission involves all of us at Busti Federated Church. The mission: "Reconnect 2018."

A lot of work has been going on behind the scenes in preparation for August 25, 2015. The Ministry Team has met a few times along with some of the Hamlet residents and business owners: Bob & Judy Shults, Dave Crandall, Hazeltine Library, Peterson Candies, etc.

Volunteers are needed in order to have a successful event. The signup sheets are located on the foyer wall under the big calendar. Take a look and see where you may be of service. While I'm in Alaska, Carol will need your help to work this "Home Mission" to get the area to reconnect.

Blessings to you all,
Pastor Lee

Church Parsonage Update

Since I was decided to sell the parsonage we have
begun the process of preparing a sales contract. We
have been in contact with a local attorney and it was
also decided to have the septic system tested before
we were to far along in the process. We will continue
to keep you updated as we have more information.
